Caring Meals Ministry

Who Is My Neighbor?

Many of you have cooked and delivered a meal to a friend who is ill, had a death in their family, or is experiencing some type of crisis that calls for assistance. This meals ministry works in a similar way. Volunteers sign up to cook and deliver a meal on an occasional basis (maybe once a month) to parishioners or others who need assistance. This program has been very successful in the past, being a valuable way to show fellow parishioners that they are in our thoughts.

Please consider signing up for this ministry by completing the form below.

We will provide you with details when we contact you. You may also call or email Nancy, Joan, or Kathy listed below to sign up or to obtain more information.

Some actual situations where emergency meals in the past were provided by parish members:

- ♥ **Elderly widower living alone was discharged from the hospital after suffering a stroke. Parish volunteers delivered meals for almost a month, providing much needed nutrition. The widower felt honored to know that the parish community cared so much for him.**
- ♥ **Single mother of 2 young children facing cancer treatments. The mother welcomed the prepared foods delivered by parish volunteers a few days a week over several months. The kids loved the meals!**

Fill out your information and tear it off along the perforation. Place it in the regular offertory collection, or in the "Drop off" basket at the back porch of the Rectory. You can also mail it to: 85 Atlantic Ave., Marblehead, MA 01945.

I am interested in helping with the Caring Meals Ministry.
