

My Brother's Table -March 30th Sandwich Making

Members of the Creation Care Team and fellow parishioners helped make 50 lunch bags for My Brother's Table on March 30 after the nine o'clock Mass. The bags contained two peanut butter and jelly sandwiches, snacks, cookies and juice boxes and were delivered for lunch at noon on Sunday.

Children from the Parish helped decorate the bags with spring and Easter designs.

We hosted this event in response to "The Cry of the Poor" as Pope Francis discusses in his encyclical, *Laudato Si (On Care for Our Common Home)*.

We thank all those who provided their time and talent and food and supplies to make this event a success. We look forward to hosting another event like this in the Fall.

The Creation Care Team will meet on Tuesday, April 8 in the Parish Center at 7pm. Please consider joining us to hear what we are planning for the year.
