# OUR LADY STAR OF THE SEA

We see our community as one moved by Faith, led by Hope and united in Charity, seeking, as a caring family, to walk in the footsteps of Jesus Christ by reaching out in welcome to all: the young, the old, the stranger, and the neighbor. We commit ourselves to helping and healing, to feeding the hungry, to visiting the sick, and to consoling the bereaved as Jesus commanded in the gospels.

# OUR LADY STAR OF THE SEA

Marblehead, Massachusetts

February 26, 2023  
First Sunday of Lent

Dear Parishioner of Our Lady Star of the Sea,

We have begun our journey of Lent. At our celebrations on Ash Wednesday we were invited to: “Repent and believe in the Gospel.” That invitation is a good description of the Holy Season into which we have entered. While there is much emphasis, as the image of ashes on our head reminded us, on the penances and privations that typically are a part of our Lenten observances, the real focus of Lent is the re-commitment and renewal to which we are called in Christ.

The practices of Lent are the means, not the end. They serve to distance us from an identification with the things of the world that pass, that end up as ashes, so that we might discover our true identity as sons and daughters of our heavenly Father, because we are brothers and sisters of Christ Jesus, God’s Son. That was the hidden meaning of the Ash Wednesday prayer in its second formulation: “Remember, you are dust...” Lent is a time to remember who we are in the eyes of God: we are dust, but dust into which God breathed his gift of life and love. God speaks to us the Word of new life in Christ Jesus his Son. Live by that Word.

In Jesus alone do we find the truth of who we are in the love of God. Jesus was led by the Spirit into the wilderness to be tested (see Matthew 4:1-11). Each of the temptations begins with the question of identity: “If you are the Son of God...” Each temptation leads to an inspired Scripture passage that tells the true way of love to which we have been called in Christ. We are to live “on every word that comes forth from the mouth of God.” Jesus was that Word made flesh who tells us everything he heard from the Father that we might live in God’s love.

The saddest line in the First Reading (see Genesis 2:7-9; 3:1-7) is one to which we hardly pay attention but is the most important of all. At the moment of the temptation and fall of humanity’s first parents, as Eve faces the trickery of the devil, it is said that Adam “her husband... was with her.” Adam who received the word of life from the creator, Adam who shared words of perfect friendship with God and perfect union with Eve with whom he sang of shared flesh, bone, love and life, was just “there.” He said nothing. He did not nourish himself nor his soulmate with the word in which they were created; he said nothing of the word that governed their life in the garden. He was silent. He and they died then and there. Friendship with God and union with each other was lost to shame and to ashes because they did not live by the word that had come forth from the mouth of God and in which they had been called to life.

We, then, must learn to live and to share the word of life with our world! You and I are called to repentance, and belief in the word by which we are to live. As St. Paul proclaims (see Romans 5:12-19): “Through the transgression of the one, death came to reign through that one, how much more will those who receive the abundance of grace and of the gift of justification come to reign in life through the one Jesus Christ.” In Lent we are called to re-commitment and renewal by hear the Word, nourishing ourselves by its strength and by speaking that Word in all our words and ways.

In these Lenten weeks, we will launch the 2023 Catholic Appeal in our parish. Each year, we are called to make a gift to the Appeal so that we can support the Archdiocese and the many Central Ministries that make our parishes, schools, and communities stronger. The mission of the Church in the world is our own. If you have already received a letter from Cardinal O’Malley, please respond as best you are able. Every gift to the Appeal makes an important difference in the lives of so many. We will all, as a Parish, have an opportunity to share in which work.

Asking God’s abundant blessings upon you and your loved ones, I am

Yours in the Lord’s service,

Msgr. Timothy J. Moran

Some delicious, eco-friendly dishes were: salmon, imitation crab cakes, and quiche. If you would like a copy of the recipes that were used at this demonstration, or for more tips on how to start ecologically-minded cooking, please reach out to Holly at [hwillseywalker@gmail.com](mailto:hwillseywalker@gmail.com) or visit [greenerlent.org](http://greenerlent.org).

## Comments from Deacon Joe

### Desiderio Desideravi

**In his Apostolic Letter** the Pope has reminded us that if we understand what we are doing the liturgy is the antidote to being centered on our own ideas (subjectivism) or the idea that we have to save ourselves by our own efforts (neo-Pelagianism). Now he points out that for the liturgy to be effective we need to constantly "rediscover the beauty of the truth of the Christian celebration." That truth is that every Mass is the priesthood of Christ in his saving death and resurrection. It is made present to us using the signs and symbols of the Mass such as bread, wine water, words, and gestures, These are the means by which the Holy Spirit unites us to the Easter mystery of Christ so as to transform our lives.

For us to be able rediscover the beauty of the Mass, it's not enough that there be external conformity to the rubrics of the Missal. Following the directions is only the starting point. Beyond that "every aspect of the celebration must be carefully tended to (space, time, gestures, words, objects, vestments, song, music...)" ... "Such attention would be enough to prevent robbing from the assembly what is owed to it; namely, the paschal mystery celebrated according to the ritual that the Church sets down."

I'll add a couple of comments. In the first place, I think we are very fortunate in this parish to have a pastor who fully understands this and does all he can to give us Masses which are celebrated as they should be. I'll also note that the Pope is implicitly refuting the fringe element in the Church who think that only the pre-Vatican Latin Mass can be reverent. The "Ordinary Form" of the Mass can and should be reverent, but the it has to be celebrated with the attention the Pope is calling for which we have in our parish.

**Lenten Prayer** Bishop Barron made the suggestion on Facebook that it would be good to pray with the Church in our lenten prayer. Specifically, he suggested praying and meditating on the "collect" (opening prayer) of each day's Mass as well as the scripture readings assigned for the day. If you don't have a daily missal, you can find all of these things in the booklet "the Word among us : Praying with Jesus This Lent." They are in the pages with the red borders at the top. So if you're still looking for some prayer to add, you might want to try that. The idea isn't simply to read the words, but to open your mind to what they might be saying to you — to let the Holy Spirit speak to you through them.

**This week** there no feasts or memorials that supersede the weekdays of Lent. There are three optional memorials, but the weekday Masses outrank them. The saints are: February 27 St. Gregory of Narek, Abbot and Doctor of

the Church [https://en.wikipedia.org/wiki/Gregory\\_of\\_Narek](https://en.wikipedia.org/wiki/Gregory_of_Narek)

March 3 St. Katharine Drexel [https://en.wikipedia.org/wiki/Katharine\\_Drexel](https://en.wikipedia.org/wiki/Katharine_Drexel)

March 4 St Casimir [https://en.wikipedia.org/wiki/Saint\\_Casimir](https://en.wikipedia.org/wiki/Saint_Casimir)
