# OUR LADY STAR OF THE SEA

We see our community as one moved by Faith, led by Hope and united in Charity, seeking, as a caring family, to walk in the footsteps of Jesus Christ by reaching out in welcome to all: the young, the old, the stranger, and the neighbor. We commit ourselves to helping and healing, to feeding the hungry, to visiting the sick, and to consoling the bereaved as Jesus commanded in the gospels.

# OUR LADY STAR OF THE SEA

Marblehead, Massachusetts

March 26, 2023  
Fifth Sunday of Lent

Dear Parishioner of Our Lady Star of the Sea,

“I am the resurrection and the life; whoever believes in me, even if he dies, will live” (see John 11:1-45). With today’s Gospel we open our celebration of Passiontide. Jesus speaks with his friends, Martha and Mary, who are grief stricken over the death of their brother, Lazarus. He tells them, and us, it is by following in Christ’s way that we come to see the glory of God: “Did I not tell you that if you believe you will see the glory of God?” In fulfillment of the prophet’s promise we see Jesus enact the wonder they foretold: “O my people, I will open your graves and have you rise from them” (see Ezekiel 37:12-14). Together with St. Paul we profess our hope that: “the one who raised Christ from the dead will give life to your mortal bodies also, through his Spirit dwelling in you” (see Romans 8:8-11).

Our Lenten Journey has been guided by three great readings from John’s Gospel. Two weeks ago we prayed the passage of Jesus with the Woman of Samaria. Last week, it was the Man Born Blind. This week it is the raising of Jesus’ friend, Lazarus, from his tomb. In each of these passages, the Lord Jesus reveals to his interlocutors, and to us, the principal realities of his identity. To the Woman of Samaria his conversation reveals him as ‘the Christ.’ To the Man Born Blind he is shown to be ‘the Son of Man.’ To Martha, Mary and Lazarus, Jesus proclaims that he is ‘the Resurrection and the Life.’ The three passages deepen our understanding of who Jesus is so that we might more fully celebrate the mysteries of his death and resurrection.

The same passages describe the steps of our own spiritual journey: from hearing, to seeing, to drawing near in love. The conversations with the Woman of Samaria focused on the Word that is *heard* and that calls us to worship in Spirit and in Truth. The opening of the Man’s eyes asked us *to see* and to begin to understand the deeper meaning of the Lord’s mission to reveal the judgment of God’s saving love. The raising of Lazarus asks us to *believe* in Jesus as the Resurrection and Life and to draw closer to him as friends, not servants, in his saving love. Each of us is *to hear* in the circumstances of our lives and, especially, in the people God brings into our lives, his Word of invitation to follow in his ways. We are, then, to come *to see* the deeper meaning of that call by committing to live out the Word of Christ fully with regard to our responsibilities and the realities of life as they are presented to us. In doing so, we come to deepen our *friendship* with Christ and our trust in the powers of his Word. In that friendship, a communion of mind and heart with Christ, we will discover the power of God’s New Life already in us. We learn to live, even now, by the life and love of God. We rise with Christ today, to begin to live a level of happiness and purpose that no obstacle, no challenge, not even the mystery of our physical death in this world, can ever take from us. We live a new life in Christ.

Next Sunday, Palm Sunday, begins our celebration of Holy Week and of the Easter Triduum. Make the choice to participate in the ceremonies of Holy Week, and deepen your relationship with the Lord that is therein celebrated. The Lord’s Supper, the adoration of the Eucharist, the Commemoration of the Lord’s Death and the Easter Vigil are the most important prayer moments of our Church year. May we discover together the greatness of New Life in Jesus. You will not regret the decision. You will rejoice with Him in a new way!

This evening, Sunday March 26th, join us at 5 pm for our Lenten Concert: "The Seven Last Words of Christ." It promises to be a moment of fine musical experience and an excellent meditation on the meaning of the Lord's gift of his life, in love, for us. Wonderful beginning for our Paschal Festivities!

Additional Easter Confession opportunities: Wednesday Evenings 6:00 to 7 pm this week, March 26th and Holy Week, April 2nd.

Yours in the Lord’s service

Msgr. Timothy J. Moran

### Comments from Deacon Joe *Getting Closer*

**As we get closer to Holy Week and Easter** this is a good time to continue looking at *Desiderio Desiderave*, Pope Francis' Apostolic Letter about the Liturgy. As we saw last time I wrote about it, the pope calls for "Amazement before the Paschal Mystery: an essential part of the liturgical act." I hope our celebrations this Holy Week and Easter will be filled with this amazement.

Pope Francis quotes St. Paul VI at the Vatican Council, who pointed out that God must have first place in our lives; prayer is our primary duty; and the liturgy is both the first source of communion with God and "the first school of the spiritual life." Given that the liturgy is so fundamental in the Church's life, Pope Francis notes that the current controversies about the current liturgy vs. the older form go to the heart of our understanding of the Church. If Vatican II is valid — and how could the work of all the bishops of the world not be valid? — then the liturgical reform it led to must also be. So, he concludes, the forms

established by Sts. Paul VI and John Paul II "are the unique expression of the *lex orandi* [law of prayer] of the Roman Rite." When some in the Church refuse to accept the reformed liturgy, the controversy becomes a distraction from growing in our understanding of the liturgy and "**let[ting] ourselves be amazed at what happens in the celebration under our very eyes.**"

So let's try to remind ourselves, at every Mass, but especially during Holy Week and on Easter, that by means of the liturgy we become present at the first Holy Thursday, Good Friday, and Easter. Amazing!

**Spring** crept in last Monday at 5:24 p.m., the vernal equinox. I'm looking forward to the warming trend we can expect over the next few months: birds, flowers, nice weather, and all that. I hope the accompanying pollen won't be too bad for those with hay fever.

**This week** there are no celebrations to disrupt our Lenten routine.

*Have a Blessed Lent. Enjoy the Spring.*
